THE SEED CATALOGUE.
While gardens still deserted lie
And wintry are the meads,
There comes that fascinating book,
The catalogue of seeds.
Each flower has its picture shown
In beauty, bloom and ease;
They surely follow mankind's tricks
And all looked pleasant, please.
But no, one human vanity
They put behind them far,
For none of them would fain appear
Much younger than they are.
In fact 'tis quite the opposite,
We find with tears of rage
That not a blessed one of them
Attains the picture age.

There will be no service in the Church of the Nativity tomorrow night.

Later, however, the Company agreed to discontinue the line and remove the auto to another point if the claim for damages was dismissed.

SHIPMENTS OF OUR **SPRING GOODS**

We always did and will continue to secure the best merchandise made in the country. We will be able to show this season several lines of Young Men's and Men's Clothing that will be a revelation to our patrons. No industry in America has made greater strides towards attaining "perfection" than the clothing and shoe trades. The rivalry of leading manufacturers to produce better merchandise than competitors is an absolute guarantee to the consumer, who uses good judgment, that he wears the best that is made. You will always find the best in our house. We buy for "SPOT CASH" only, hence the best of fine clothing and shoe producers keep us constantly in touch with their newest productions, and our good dressers enjoy the benefit of these conditions as well as ourselves.

Mr. Keller is Superintendent of the Independent Telephone Company of Ohio, with headquarters at Columbus, where the happy couple will reside. Mr. W. H. Bliss of Chippley, Fla., Mrs. Simon Nelson of this city, and Mrs. W. J. Boles of Covington were the attendants from a distance.

A PROGRESSIVE HOME INDUSTRY.

Maysville is to be congratulated that she has now in every respect a first class, up-to-date Laundry. "The Model" is its name and that is what it is—second to none in the Ohio Valley—occupying the three-story brick building of the late George H. Heiser, opposite the Opera-house. Well located, well equipped with the latest improved machinery, The Model Laundry Company of Maysville, Kentucky, now enters the field as a competitor for out-of-town work. Beginning with next week everything at the plant will be in good running order.

Besides bath rooms, the Company has added a carpet cleaning department, where at moderate cost housekeepers can get their carpets and rugs cleaned, woven, dyed and renovated. In this line of business Maysville is certainly forging to the front.

A STRANGE CASE

Mrs. Virginia Williams Found in Her Rooms Unconscious

Mrs. Virginia Williams, aged about 73, is lying in a critical condition at her room in the Hill House.

For some time Mrs. Williams has been almost helpless, and Thursday night she was left at midnight by Mr. Joseph Newell, who has been attending to her wants as far as possible, in comfortable shape.

Yesterday morning the neighbors went to inquire about her, and when the door was opened Mrs. Williams was found lying on the floor, face down, smeared with soot and unconscious.

She was picked up, placed in bed and a physician summoned, and upon examination found her limbs from her hips down terribly bruised as if some one had beaten her.

No one heard any unusual noise during the night, yet some express the belief that she was mistreated by some one.

She cannot tell what happened her, as her mind is not clear.

Her condition is extremely critical.

It being an established fact that voting machines absolutely prevent fraud in elections, that may be set down as the reason why the Kentucky Senate, by a vote of 24 to 10, refused to permit their use in this state.

The Kentucky University, by unanimous vote of the Board of Trustees, has formally and finally withdrawn from all intercollegiate athletics in the future; and it is hoped that the students will have a few weeks to devote to study.

These are tough times for the poolrooms and tinborn gamblers. Governor JEFF. DAVIS of Arkansas has announced officially that he will on April 1st "clean out" and "close up" every gambling house at Hot Springs, if it takes all the state militia to do so. It is thought, however, that "the boys" will move out before that date; but where will they go?

The only mistake Governor BECKHAM made in appointing the new Asylum Commissioners was in not naming Judge JAMES HARGIS of Breathitt county instead of Mr. BOARD. Then he would have had a Commission replete with prominent partisan "peaches"—General PERCY HALEY, Judge D. B. REDWINE of Music Hall fame, and Judge JAMES HARGIS, Chief of the Breathitt County Feudists.

You can't beat him! That Owingsville Liar has killed every bit of the fruit already some more.

It is a crying shame that the people of the state are compelled to pay Judge CANTRELL \$5,000 a year for doing nothing. He ought to have the decency to resign.—Mt. Sterling Gazette.

"He ought to have the decency to resign" is empty. "Decency!" Gewhillikins! Isn't that enough to pie the hell-box?

I AIN'T NO Constitutional Lawyer; but when the Constitution of Kentucky says in plain English that the Legislature of Kentucky "shall not join more than two counties in any Legislative District," and when the Legislature of Kentucky puts four counties in one Legislative District,—why, then, I know that the majority of the Kentucky Legislature is composed of political knaves, or plain damphools.

SURELY there must be something more desirable and beneficial for the people of Kentucky than the mere creation of offices to be filled by a lot of measly politicians; and yet that was what actuated a majority of the Legislature. They created a number of brandnew offices at big salaries, and tried to create more by the iniquitous Redistricting Bills; they increased the salaries of many offices now much sought for at old prices; they appropriated nearly three-quarters of a million dollars for various purposes—good, bad and indifferent;—they passed bills that ought to have been defeated, and defeated bills that ought to have been passed; and finally they passed the Revenue Bill, which had been carefully prepared after months of work during the recess, but only after it had been hacked to pieces with amendments so that its framers would not know it, and then, as was openly stated on the floor, simply because the failure to pass it would leave the National Banks in the state free from taxation for two years!

OUR RECENT WHOLESALE OFFER OF THE STANDARD EDITION OF

JOHN L. STODDARD'S LECTURES

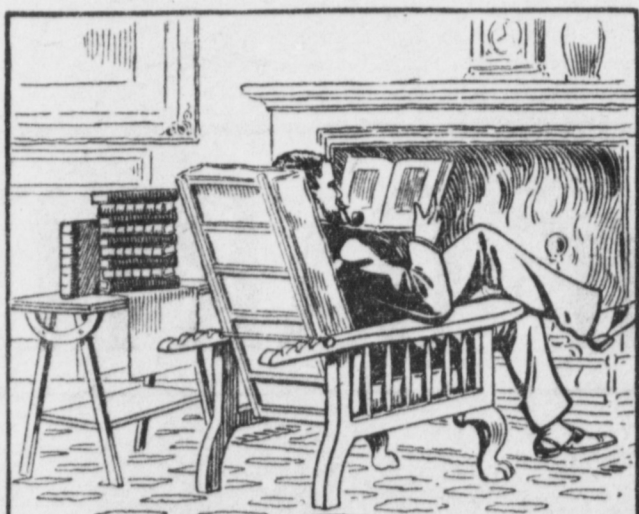

WAS SO SATISFACTORY TO OUR CUSTOMERS AND OURSELVES THAT WE HAVE DECIDED TO OFFER FOR A SHORT TIME OUR

NEW ART EDITION

ALSO AT WHOLESALE RATES

Wholesale rates mean wholesale transactions. We order paper for the Stoddard Lectures twenty car-loads at a time. We print and bind on the same scale. We reduce expenses to a minimum by making a quick, yet thorough canvass of each city, thereby bunching orders, deliveries, and collections at one-half what they would cost if scattered. To this end a corps of our best salesmen are here for a short time only to explain our special offer, show the work, and give you an opportunity to secure it at wholesale rates. WHEN THEY LEAVE YOU CAN OBTAIN IT ONLY AT REGULAR RATES FOR OCCASIONAL ORDERS, or at an advance of one-half.

This advance is absolute and unavoidable. Our wholesale offer is possible only on the above basis, it being self-evident that when the cost of production or distribution of any article increases the price to the purchaser must increase also.

River News

The gage marks 27.0 and rising.

Look out for a big river when the snow begins to melt.

The Greenwood will be down tomorrow night from Huntington.

The Henry M. Stanley will be up tonight for Charleston and way points.

The Queen City tonight for Pittsburgh will receive here a nice shipment of eggs, wheat and whisky.

The absence of a stage of water that permits navigation on the Upper Ohio has resulted in a large number of rivermen being thrown out of employment.

This morning Captain Pfister was compelled to hail the ferryboat and make a special trip out to the wharfbost, the river having risen so fast last night that it was impossible to keep it close to the shore.

All the packets along the Ohio are having a bonanza, especially in the freight business. The merchants are beginning to receive their spring stock, and, past by experience they are getting back to the old way of having its shipped by boat.

The Joseph B. Williams, one of the largest towboats on the Middle West waters, passed up with a tow of empties for Pittsburgh. This boat will take out a tow of coal for New Orleans on the next rise, which will allow of the navigation of towboats and coal barges, which must be 13 feet in the Pittsburgh harbor.

Reports from Louisville have it that the Sprague, the largest towboat in the world navigating on fresh water streams, has been laid up temporarily at Louisville and her crew paid off. It is claimed that this is a custom at this time of the year. The boat is waiting for a tow to be made up and to undergo minor repairs.

Albert E. Rankins, for twenty five years a merchant at Augusta, has been closed out by creditors. His liabilities are \$8,000, with \$6,000 in assets. He has \$10,000 in accounts on his books, and the neglect of the people, whom he accommodated, to pay him was the cause of his failure.

The Legislature adjourned Thursday until next Tuesday in order to give the members an opportunity to attend to pressing private business and to allow the printing of the important bills to be considered at the extra session.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

Danger Signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger Signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Maysville proof: James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

Correspondence

SPRINGDALE.

Mr. L. F. Pigg was a visitor to Maysville Thursday.

Mr. D. W. Hook is suffering from a badly mashed thumb.

Mr. Irvin Elliott is out again, after being housed several days with a cut ankle caused by the slip of a sharp ax.

A force of engineers, flagmen, etc., is at work near Crooked Creek locating a double track, tower house, etc., for the C. and O.

Mrs. W. I. Vaughn and Mrs. W. H. Hook have returned from Fleming county, where they were called by the serious illness of their brother, Mr. John S. Carpenter.

Mr. James Elliott continues seriously ill with something like an abscess in one of his eyes. Dr. Bane, his attending physician, will take him to Cincinnati to an oculist soon.

Mr. John Gray of Tolleboro was here Wednesday and Thursday looking after a large consignment of fertilizer which is now being transported to his town and patrons.

The musical little wren, one of our tamest native birds, is now preparing for its first nesting. It nests three times a year and when unmolested raises a brood of from three to five at each nesting. It is a very friendly bird and loves to build close to the house—inside a vine-covered porch being its favorite place. Its food consists of worms, bugs and other harmful insects. Years ago when the wren's only enemies were cats and thoughtless boys they multiplied rapidly. Now, however, they have an enemy that is slowly but surely driving them from their native haunts. It is the useless, insolent, noisy English sparrow. If each family would pay some attention to the matter by placing safe nesting places for the wrens and whenever possible destroy those of the sparrow, we might at least defer the passing of the wren otherwise, this tiny bird with the cheerful song that stays with us from early March till latest autumn and all the year when winters are mild, will soon be driven from our fair state forever. In many cities in the South poison is placed on the roofs of houses for sparrows. This requires much care, however.

Personal

Rev. F. W. Harrop of Latonia was in the city yesterday.

Mr. and Mrs. Charles D. Pearce are in Louisville for a few days.

Mrs. Anna Arthur of Mt. Olivet is the guest of relatives and friends here.

Mr. W. W. McIlvain was registered Thursday at the Palace Hotel, Cincinnati.

Rev. F. K. Struve will return tonight from a visit of several days at Cynthiana.

Mrs. John Worthington and Miss Scotta returned Thursday from a sojourn in the South.

Miss Bertie Taubee will arrive at home tonight from Oxford College for the spring vacation.

Mrs. Mollie Pearce and Miss Lida Fant of Covington are guests of Major and Mrs. Thomas J. Chenoweth.

Miss Lydia L. Schatzmann left this morning for Dayton, after spending several months with her parents, Mr. and Mrs. George Schatzmann, and sister, Mrs. H. T. Ennis, of Aberdeen.

John Weber, for cutting "Hogan" Gilbert, was tried last night by Police Judge Whitaker, and was held to the Grand Jury in \$100.
